

INFORMED CONSENT FOR PUBLICATION FORM

Novel Forensic Research (NOFOR) | <https://nofor.org/>

Manuscript Title:

.....
.....

I consent to the publication of the relevant medical and forensic information, clinical details, and any photographs or images identified to me concerning the individual named below in Novel Forensic Research (NOFOR) (<https://nofor.org/>).

I understand that the article, including the relevant information and images, will be publicly accessible online. The individual's name and direct identifying details will not be published, and reasonable measures will be taken to protect their identity. However, complete anonymity cannot be guaranteed. I understand that consent is voluntary, refusal will not affect medical care, and consent may be withdrawn before publication. Once published, removal of the information may not be possible.

Consent Provider Information

Name of Patient / Deceased Individual:
